The devotion at Lourdes inspires an unforgettable spiritual experience, as pilgrims from all over the world pause there to request the intercession of the Blessed Mother.

The sunlit Basilica at Fatima shines like a beacon of hope, symbolic of the Blessed Virgin's promise of peace for the world. The Shrine of Fatima is a few miles from Lisbon.

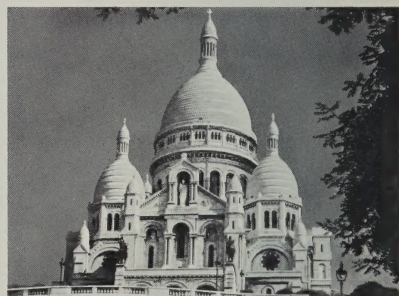

Knock Shrine, sometimes called the Irish Lourdes, is famous for the cures recorded there. And there are numerous other shrines throughout the "Isle of Saints and Scholars".

St. Peter's Basilica, largest church in the world, is a high light of every Catholic's trip to Rome. This and other inspiring sights never fail to stir pride in the Church's history.

Legend says the "Black Virgin of Montserrat" was carved by St. Luke and brought to Spain by St. Peter in the first century. This famous mountain shrine is not far from Barcelona.

Sacre Coeur Basilica, magnificent symbol of French devotion to the Sacred Heart, towers over Paris. While in the French capital, many pilgrims also visit the Miraculous Medal Shrine at La Rue du Bac.

HERE ARE WAYS IN WHICH
THE ECCLESIASTICAL ART OF GASTON
HELPS TO BEAUTIFY THE
HOUSE OF GOD ✠

PLANNING

Many projects require preliminary sketches giving a clear idea of the ultimate objectives. This is especially true of murals, stencil designs and decorative elements.

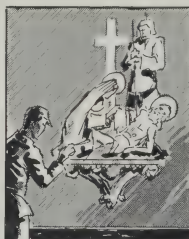

PAINTING

Color schemes worked out well in advance assure a harmonious result. Due to the high quality materials used, the cost per year is relatively small.

STATUARY

In repainting statuary, Goyette artisans coordinate colors — bring new attractiveness to the individual pieces yet maintain balance with present surroundings.

STATIONS

The wide variety of styles in Stations within the Archdiocese presents a challenge in their restoration. Whether units are simple or elaborate, Goyette restores them to their original perfection.

OIL PAINTINGS

Portraits of the clergy and the restoration of old paintings is a Goyette hallmark. Adherence to traditional techniques is carefully followed.

MURALS

Adhering to historical and liturgical standards, Goyette craftsmen create murals that are both beautiful and in keeping with the highest ecclesiastical standards.

Suggestions are made gladly and without obligation.

Excerpt from mail received at THE EDITOR'S DESK

... Before we purchased a home in your Archdiocese we sent for a copy of the DIRECTORY, as our Chancellor had advised us to do. He told us that, through it, we could learn as to parishes, schools and Catholic population in the sections close to my husband's new assignment. It helped us greatly.

DUAL CYLINDER, PASTE-INK PROCESS

Gestetner is a specially engineered duplicator and process that makes it possible for your office girl to produce your own forms, bulletins, literature and even illustrated catalog pages at a fraction of what you once paid for outside services. Completely clean and automatic... and highly profitable even if used only occasionally. A different model for every size need and budget. A Gestetner costs no more than the old fashioned 'mimeo'!

Marist

MISSIONARY SISTERS
(Missionary Sisters of the Society of Mary, Inc.)

Every Sister a Missionary

Of the 133 American Marist Missionary Sisters now actively at work in foreign missions, from the Fiji Islands to Peru, almost half that number are from Massachusetts, with every third Sister in the American community from the Boston Archdiocese.

- A MISSIONARY CONGREGATION — numbering more than 700 Sisters, dedicated to the Mother of God, with the three simple vows of Poverty, Chastity and Obedience . . .
- WORKING FOR GOD AND SOULS — as doctors, dentists, nurses, teachers, pharmacists, technicians, artists, typists, seamstresses, cooks — performing the spiritual and corporal works of Mercy, in the catechetical, medical, educational and social service missions of both primitive and advanced missions . . .
- FOREIGN MISSIONS — Polynesian and Melanesian mission of the South Sea Islands; Maoris of New Zealand; Jamaica, B.W.I.; Africa; and the latest foundation in Lima, Peru . . .
- IN THE UNITED STATES — houses in the Archdioceses of Boston, San Francisco, New York, and in Hawaii . . .

Typical of the departure groups leaving throughout the year from the Regional House in Framingham: (l. to r.) Sisters Mary John Patrick, R.N. (Saxonville); Tressa, R.N. (Waltham); and Isaac Jogues, B.S.Ed. (Rochester, N.Y.), all three for the Solomon Islands.

BEAUTIFUL

USE OUR

confirmation GOWNS

Gowns FOR CONFIRMATION OFFER REAL ADVANTAGES TO BOTH PASTOR AND PARENT

Beautiful gowns made of an excellent quality of rayon faille material. Red gowns and ties for the boys. White gowns with red collar and cap for the girls.

Practical: Eliminate problems of unsuitable clothing.

Economical: Save expense of buying special dresses for girls and suits for boys.

We measure the class — deliver the gowns and call for them after the ceremony. For a truly beautiful Confirmation group use our gowns.

Graduation

We also supply Caps and Gowns for Graduation. They come in White, Royal Blue, or Maroon. These have varied color tassels and collars and ties. Graduates usually keep their tassels for souvenirs upon payment of a small fee.

Special Occasions

A very practical way to dress groups for special occasions—Christmas, Easter, Jubilees and Anniversary celebrations. You may have any color combination you desire. Just one telephone call and a representative will be happy to call on you.

Uniforms

For over a quarter of a century we have supplied uniforms to schools within the Archdiocese of Boston, meeting all requirements with satisfaction.

THE INNER VALUE OF SCHOOL FURNITURE

BY

Columbia

FOR EVERY CLASSROOM NEED:

The *backbone* of modern school furniture is the *tubing* and therein lies Columbia's matchless inner value, a superiority that gives rugged strength for long, long service.

Columbia's leadership in steel tubing technology is based on 82 years of experience in building bicycle frames of such rigid strength and light weight that Columbia bicycles have long been known as America's finest. This experience, research and exclusive manufacturing processes are brought to bear in the making of Columbia School Furniture. And you'll find that every item not only meets a specific classroom need but has been priced to meet today's school budgets. Please ask for our catalog which shows the colors and the complete line.

. . . You must have many notes which tell the same tale as mine—appreciation that the DIRECTORY gives the time of the daily Masses. Traveling around in the Archdiocese as I do, it certainly helps to know that I have a copy of it in my car and do not have to depend upon other sources for learning the time of Mass in a strange town.

DIVINE WORD MISSIONARIES

HAVE GROWN INTO THE THIRD LARGEST MISSIONARY CONGREGATION OF THE CHURCH, with well over 8,000 Priests, Brothers and Seminarians. The Sister Congregations number also over 5,000. Father Founder, Arnold Janssen's Society now includes about twenty different nations, among them American Negroes, Japanese, Chinese, and Indonesians.

It was the first religious society in America to establish a seminary for the training of American boys for the Foreign Mission Fields.

The Society has become one of the greatest champions in promoting the education of native clergy. It directs the Pontifical College of St. Peter in Rome, giving advanced courses for Native Missionary Priests. It has given the Catholic mission world its first Mission Cardinal, Tien, S.V.D., of China, and to the church in America about 40 of its 50 Negro priests.

In the field of higher education and science its members have distinguished themselves.

Friendliness . . .
Reliability . . .
Thrift

These three New England characteristics form the basis of *First National's* longtime "storekeeping" policy.

In some sixty years of change and dynamic growth, from corner store to streamlined supermarket, these have remained unchanged.

Our store people are interested in your needs, in serving you courteously and well. Our quality standards are firm, and our guarantee unqualified. Most of all, at First National, you can be sure of the lowest possible prices on every item every shopping day of the year in the thrifty New England tradition.

PROTECT **YOUR BUILDINGS!**

The parapet walls and cornices of the Cardinal's Residence are protected by the installation of Western's "Resto-Crete" waterproofing (Reg. U. S. Pat. Off.)

proofing and weatherproofing treatment, the work being done for His Eminence, Richard Cardinal Cushing, D.D., Archbishop of Boston.

CARDINAL'S RESIDENCE
BRIGHTON, MASSACHUSETTS

Leakage and seepage through unnoticeable openings can cause serious damage and necessitate expensive reconstruction. Fortunately, you can guard against these dangers.

Timely repointing by the Western Waterproofing Company — protects your buildings — and costs little compared to the price of neglect.

Reliable work is assured by Western Waterproofing's 5-year guarantee. Write a note of inquiry now — and have the information ready when you need it!

ALL-ELECTRIC KITCHEN serves 600 daily at Marian High School, Framingham

Here's another example of the trend to modern, flameless electric cooking installations. It's the all-electric kitchen in the Marian Central High School Cafeteria, Framingham, where some 600 meals are served to the students and faculty every school day. Architect-designed, this kitchen is the ultimate in cleanliness, safety and efficiency. The commercial cooking equipment includes Double-Deck Roast and Bake ovens, teamed with two heavy-duty Griddle-Hotplate ranges complete with dual ovens. For savory soups and stews there's an electrically-heated thermostatically-controlled 60-gallon stock kettle.

To speed counter service and to keep foods piping hot, a hot food table, electrically heated, is provided. An electric water heater supplies the automatic commercial dishwasher with a plentiful supply of 180-degree water for sterilization of dishes, trays and silverware.

When you plan to build or modernize your cafeteria, home economics classrooms or any other facility where food preparation is necessary, the modern touch of electric cooking merits first consideration. Our Commercial Cooking consultants will be pleased to work with you. Just call HAncock 6-3300, ext. 332.
